

PERSONAL

22 year old dedicated designer and creative connoisseur working with everything ranging from video editing, graphic design, 3D and webdesign to print design, animation and communication.

I always involve myself 100% in the projects that I'm apart of because i always strive to evolve myself and expand my skillset everyday.

Why don't we work together? Read further on this resume to find out why that might not be so bad of an idea.
